Green Will Consider Progressives, Appeal

Fears Time Element Will Stall Issue

Chicago, Oct. 22—(AP)—The Republican governor of Illinois today promised to consider promptly a Progressive party appeal for a special session of the legislature to put the third party's state and national tickets on the state's Nov. 2 election ballot.

But the Progressives were told that it is doubtful whether the legislature could be convened and whether it would act in time, and that even if it did, it would be "a physical impossibility" to reprint nearly 6,000,000 ballots in time for Nov. 2 voting.

The Progressives disagreed. They said printers could do it, and if they couldn't, the legislature could order Progressive stickers pasted on the ballots by county clerks.

Rowe To Hear Appeal

Richard Yates Rowe, state treasurer and GOP nominee for lieutenant governor, told a Progressive delegation he would try to get a decision by Gov. Dwight H. Green later today. Green authorized Rowe as his representative to hear the third party's appeal.

The Progressives, headed by State Director William Miller, said they had abandoned another method suggested yesterday by Henry Wallace, their nominee for president, to get the party's tickets on the ballot. This method involved an order by state election certifying officials.

Miller submitted petitions, listing 98,702 signatures from Cook county (Chicago), to support his request for a special session.

To Call Repeal Session

He said a session should be called to repeal a disputed 1935 law which has served to bar the Progressives from the ballot, and to order that their tickets be printed on the ballot.

He said he is appealing to the Republican governor because the Republican attorney general, the governor's legal advisor, told the United States supreme court the law is a constitutional "mistake." The high court yesterday, however, upheld validity of the law.

Miller said that because of "fairly heavy sentiment for the Wallace ticket in Illinois, it would be a shame to deprive the people of a chance to vote for him." He added:

"Southern states have called special sessions to put him on the ballot. Illinois should do at least what the southern states did."

Only Way Soviets Can Halt Airlift Is To Shoot: Lucas

Decatur, Ill., Oct. 22—(AP)—Senator Lucas (D-Ill.) said tonight that the only way the Russians can stop the Berlin air lift "is to start shooting down our planes but I am positive that there will be no shooting war."

Lucas said the American air supplying of Berlin "has staggered the Russians. It has them pondering what next to do."

He said he doesn't think they will shoot down any of the American planes. He believes the German blockade "will somehow be solved through negotiation and arbitration. At least that is the hope of the free peoples of the world."

Lucas spoke at an Illinois Press Association dinner. He said "a good dose of newspaper criticism is the most efficient remedy for an inflated ego," but that "slandering, angled presentation" of news is a public disservice.

Bulletin

Baltimore, Oct. 22—(AP)—City owned radio station WMH reported tonight it received distress messages from the S. S. Caracas saying it was 60 miles east of Cape Hatteras, N. C.

The message, received at 11:14 p.m., said: "Will leave ship in few minutes."

In New York, the Coast Guard said the ship was of Venezuelan registry and was of 3,799 gross tons.

Gales and rough seas have been reported in the area of the stricken vessel, the Coast Guard said.

Later, Radio Marine Corporation in New York said it had picked up a message from the skipper of the Caracas saying that if it became necessary to abandon ship he would keep the automatic alarm on.

At 11:44 p.m. (EST), Radio Marine said it began picking up signals from the automatic alarm. These ceased at 11:55 p.m. (EST.)

Truman, Dewey Attempt To Gain Metropolitan Vote

By The Associated Press
Governor Dewey and President Truman both aimed their sights today (Saturday) at big city voters in the east and midwest during the wind-up week of the presidential campaign.

Their schedules for the remaining days until November 2 showed that both the republican and democratic presidential candidates will visit Cleveland, Chicago, New York and Boston. There'll be other appearances for both, too.

Dewey, whose aides say they are supremely confident, had a word of advice for GOP party workers yesterday. He told a meeting of sev-

Barkley Predicts GOP Win Would Speed Inflation

Baltimore, Oct. 22—(AP)—Senator Barkley, democratic candidate for vice president, predicted tonight that if the republicans win in November, "inflation will be allowed to move forward without check."

He said there would be no effort to check inflation "until we approach the danger of another republican collapse."

Barkley made his predictions in an address prepared for a democratic rally. He urged that Marylanders vote for the democrats—"the party which knows America and serves America."

Barkley predicted that if the republicans win control of congress and the presidency:

"They will further reduce the income rates for corporations, and, if the budget remains unbalanced, they would either raise the present tax rate for individuals or institute a general federal sales tax, or perhaps both."

"The cost of operating the federal government would be as high or higher than it is at the present time."

John W. Snyder Blames Congress For National Debt

Los Angeles, Oct. 22—(AP)—Secretary of the Treasury John W. Snyder today said Uncle Sam is running \$1,500,000,000 in the red this year and congress is to blame.

Snyder, in town for a series of talks, said in a news conference: "The administration balanced the budget in 1947 and 1948. But we will have an operation deficit of a billion and a half for the fiscal year ending June 30, 1949. This is due to the revised budget after congress had cut taxes and made additional appropriations."

He said tax cuts should have come after the budget is balanced and something paid on the national debt.

French Cabinet Recalls Soldiers For Strike Duty

Paris, Oct. 22—(AP)—The French cabinet decided in an emergency session tonight to call up the 1948 class of soldiers who already had been discharged, and gendarmes reservists to deal with flaring violence in the 18-day coal strike.

At least two miners were killed in the first outbreaks of gunfire between strikers and law enforcement forces today, and the list of injured in several days of clashes mounted to 200.

The cabinet also ordered troops to use their arms in defending themselves against attacks, and empowered district governors to ban any meetings.

There was no immediate estimate on the number of soldiers and gendarmes involved in the call-up.

The interior ministry said the two miners were killed at Firminy, five miles southwest of St. Etienne, when miners counterattacked the police. Thirty other persons were injured.

There also were reports of shootings at three other mines, two in the St. Etienne area and at Montceau-Les-Mines, about 100 miles to the north.

The ministry said militarized police fired only after being fired upon in compliance with strict orders. An eyewitness said at least 27 miners were injured, seven seriously.

Police were reported to have opened fire with submachine guns on 1,500 attacking strikers at Camberfort mine near Firminy.

Band-tailed pigeons are not wary except when actively hunted. They are gregarious and gather in tremendous flocks except in the mating season.

eral hundred of them in New York: "There is increasing evidence of desperation on the part of the opposition and they may intensify their campaign of fear, vituperation and abuse."

"I urge all of you not to respond in kind under any circumstances, whatever the provocation."

Dewey headed back to Albany today to begin work on his four remaining major speeches. He will leave there Monday midnight for Chicago.

President Truman, who says the pollsters who pick Dewey to win are in for a big surprise, charted a course through Pennsylvania today as a semi-windup to his campaign.

His Saturday schedule called for daytime speeches, at Scranton, Wilkes-Barre and Johnstown, with a major speech at Pittsburgh tonight at 8 p.m. CST. Mr. Truman will return to Washington before starting out his final campaign tour Sunday night.

Some periodic political financial reports were filed meanwhile at Washington. The CIO's political action committee, which is supporting Mr. Truman, said that up to October 19 it had received contributions of \$306,720 and had spent \$278,568. It did not, however, report any district contributions to the president's campaign.

U.S. Offers To Sell Aircraft To Western Nations

Washington, Oct. 22—(AP)—U. S. military aircraft, including some of the latest and fastest postwar models, will be offered for sale to other American republics for purposes of hemispheric defense. The air force announced the offer today.

The planes are the F-80 Lockheed Shooting Star, F-84 Republic Thunderbolt, F-82 North American Twin Mustang, and the troop-carrying C-52 Fairchild packet.

Both the F-80 and F-84 are rated in the 600 M.P.H. class. Officials emphasized that while these are the fastest U.S. planes in service, much better aircraft are "in the works." For example, they noted that the North American F-86 has a speed of more than 670 M.P.H. fully loaded with ammunition and guns.

The release of the planes is by no means a "blanket offer," officials said.

The air announcement said purchases will not be approved if they would "endanger the national security or interfere with air force procurement."

Douglas Promises Support To Either Party President

Chicago, Oct. 22—(AP)—Paul H. Douglas, democratic nominee for senator, said tonight that "whoever is elected president, I would work with the administration leaders to maintain a united front in the conduct of our foreign affairs."

Douglas said in Chicago ward meeting speeches that his republican opponent in the Nov. 2 election, Senator C. Wayland Brooks, would oppose "everything" which Senator Vandenberg (R-Mich.) might propose on foreign affairs.

Vandenberg is one of the chief republican leaders in the bipartisan foreign policy. Douglas said he is confident that "thoughtful republicans and independents in Illinois will cross over to my side in the interest of supporting" this bipartisan policy.

By contrast, he said, "Senator Brooks forms a knife of reaction and isolationism that would cut the heart out of a united foreign policy."

"Illinois republicans who favor internal cooperation and a liberal domestic legislation will find no voice in Senator Brooks."

FEDERAL RESERVE BOARD UNABLE TO HALT RISING CREDIT

Washington, Oct. 22—(AP)—Fifteen months of effort hasn't been sufficient to clamp down a lid on expanding credit, the Federal Reserve Board said today.

The board's latest monthly bulletin said inflationary forces, bolstered by purchases made with borrowed money, remain dominant and are in a position to gain further ground.

The bulletin said there are lots of people ready to spend if they can get credit, and added that lending resources remain plentiful.

The first ring-neck pheasants were imported in 1790 by an Englishman who married the daughter of Benjamin Franklin.

Edwardsville Car Dealers Surrender On Fraud Charges

Edwardsville, Ill., Oct. 22—(AP)—Robert L. Knetzer and Arthur F. Kramer surrendered voluntarily today on indictments charging them with obtaining money by a confidence scheme and conspiracy to obtain money by fraud in the sale of "new-used" automobiles.

The two auto dealers, who have been declared bankrupt, walked into the Madison county sheriff's office here with their attorneys and were allowed to go free after professional bondsmen posted \$25,000 sureties for each.

The attorneys announced Knetzer and Kramer will plead innocent at their arraignment on the indictments next Wednesday.

The two men previously had posted \$25,000 bond each on similar charges accusing them of accepting large amounts in deposits from prospective customers who never received their automobiles.

William C. Dunham, court-appointed receiver for Knetzer, left today for Cody and Cheyenne, Wyo., in a search for assets of the Edwardsville man.

Ten German War Criminals Face Death Calmly

Munich, Germany, Oct. 22—(AP)—Ten Germans were hanged as war criminals today in the prison where Hitler wrote "Mein Kampf." The ten were "fairly calm" as they went to their deaths.

All were convicted in an American war crimes court of charges of killing unarmed American fliers or torturing concentration camp inmates.

The group included Alex Plorkowski, a former pencil salesman who became a lieutenant colonel in the elite guard and commanded the Dachau concentration camp. He was convicted of supervising "beatings, tortures, starvation, abuses and indignities of all kinds resulting in the death of many inmates."

Also hanged was Hans Trummer, 48, an elite guard colonel who passed out cigars to his troops after they killed parachuting aviators.

The other eight hanged were Arthur Fuhr, 39; Michael Raaf, 42; Karl Franz Statman, 37; Emil Hoffman, 35; Herbert Kunze, 35; and Fritz Dietrich, 50, charged with killing fliers; and Wladislaw Doprala, 59; and Wenzel Wodak, 38, charged with killing inmates of concentration camps.

Robert Walker Attempts To Whip L.A. Police Force

Los Angeles, Oct. 22—(AP)—Robert Walker of the films pleaded guilty today to being drunk and disorderly and paid a \$50 fine in police court.

Walker's girl friend of last night, Thelma Patricia Byrnes, 22, who was piloting the actor's 1949 car, was fined \$150 when she pleaded guilty to drunken driving. She paid as an alternative to 30 days in jail.

A radio officer who made the pinch, L. L. Brown, said the \$100,000-a-year actor resisted being booked as "drunk, noisy, loud and boisterous," and that force had to be used to subdue him.

"Walker became belligerent and wanted to fight five officers at the station," Brown said of the six-foot, 145-pound Walker.

Walker's first wife was Jennifer Jones, his second Barbara Ford, daughter of Screen Director John Ford. Barbara's suit for divorce is pending.

"Why I've been drunk for 25 years," Lieut. E. C. Wiener quoted the actor as saying when arrested. "This lady isn't drunk, though. Don't pick on her. I'm to blame for all this."

Dispatches Report Reds Plan Assault On North China

Peiping, Oct. 22—(AP)—Pro-government Chinese dispatches today said the Communists were concentrating men and supplies in Jehol for a full-scale assault on North China.

One of the main rear bases for this campaign will be Chinfeng, 220 miles northeast of Peiping, these accounts said.

They added "strange unidentified planes" have been seen in that sector, but gave no further details.

(Throughout nearly three years of civil war, the Chinese Communists have lacked an Air Force. There never has been confirmation of intermittent rumors from the government side that lack was being remedied with Soviet help.)

The only hot battlefield at the moment was reported to be near Chinsien. An official report said national armies were inching closer to that key to South Manchuria and should recapture it this week end. No particulars were given, however.

'Neutrals' Repeat Berlin Bloc Lift Plea To Russia

Paris, Oct. 22—(AP)—Russia was asked in a resolution by the six neutrals of the Security Council today to lift immediately the Berlin blockade as part of an east-west settlement in Germany.

The four big powers were asked in the same resolution to implement by Nov. 20 their Moscow agreement to introduce the Soviet zone mark under four-power control as the sole currency of Berlin.

The resolution also provided for the convening of a four-power foreign ministers council within 10 days to reopen negotiations on German problems as a whole, and for lifting of transport and trade restrictions to and from the Soviet zone.

Eranuglia Presents Resolution
Argentine Foreign Minister Juan A. Bramuglia presented the six-nation resolution to the council. He adjourned the meeting before the big four stated their views, setting the next session for Monday. A vote may come then.

An authoritative source said Soviet Deputy Foreign Minister Andrei V. Vishinsky asked for the delay. U. N. officials speculated that he wanted time to get Moscow's reaction to the formal resolution.

U. S. Deputy Delegate Philip C. Jessup refused to commit his country but told a reporter that "in general we think that it (the resolution) is along the right line." A British spokesman said his delegation regarded the resolution as a satisfactory basis for settlement.

Vishinsky maintained his boycott of the debate, but scribbled notes furiously during the tense meeting, held in the theater of the palais de Chaillot before 2,500 spectators. He was in high spirits when he left the council chamber. As to the resolution, he grinned and said: "I will have to look at it."

The British spokesman said the timing mentioned in the resolution—immediate lifting of the blockade and an immediate meeting of the four military governors of Germany to arrange for solution of the currency question—seemed acceptable.

The fact that each of the six neutral countries supported the resolution was a sign, he said, that Russia's only recourse would be to veto it if she does not accept it.

The six-power resolution calls on the United States, Britain, France and Russia to prevent any incident which would aggravate the situation in Berlin.

Chicago Widow Sues To Collect Government Bonds

Chicago, Oct. 22—(AP)—A widow sued today to collect \$350,000 in government securities she says were purchased as a gift in 1929 and "forgotten" over the years.

She is Mrs. Europa D. O'Neill, 850 Lake Shore Drive, widow of William L. O'Neill, a former officer of the Armstrong-Alcan company, Chicago printing firm.

Mrs. O'Neill's suit is against the Continental Illinois National Bank and Trust company. It alleges that a former subsidiary of the bank, the Continental Illinois company, dissolved in 1939, handled purchase of the securities for O'Neill.

Mrs. O'Neill claims she first learned her husband had bought the securities for her when she was examining his papers following his death.

Seoul, Korea, Saturday, Oct. 23—(AP)—Loyal troops have taken Suncheon from insurgents who revolted in the U. S. occupation sector three days ago, the South Korean army announced today.

The communiqué, issued through U. S. army headquarters, said the town near the south central coast was recaptured at 6:40 p.m. yesterday (3:40 a. m. CST Friday). Suncheon is 135 miles south of Seoul.

The announcement said there was no late word on the situation southwest of Suncheon which includes the Yosu peninsula where the Korean army uprising began.

A South Korean army spokesman said he could not get confirmation of a report that loyal troops had recaptured Yosu from a rebel band.

U. S. Army headquarters had relayed accounts from Korean sources that Yosu was recaptured with almost no opposition.

Yosu, a south coast seaport 155 miles from Seoul, has 20,000 population. South Korean government officials said a pro-communist revolt started in the army garrison there yesterday morning and spread to Suncheon.

Loyal troops, armed with machine guns, rifles and light tracked vehicles, pursued one rebel party, estimated at 1,300, into the hills east of Suncheon.

Brooks Declares Truman 'Forgotten Man' Of Campaign

Chicago, Oct. 22—(AP)—Republican Senator C. Wayland Brooks tonight declared that President Truman is "the forgotten man" of the 1948 campaign and is being abandoned by Democratic newspapers and local candidates.

William L. McWetridge, Chicago AFL leader, said that the GOP's Dewey-Warren ticket now has enthusiastic support from AFL, CIO, railroad and independent unions representing more than 400,000 Illinois workers.

McWetridge, head of the "Illinois Labor for Dewey and Warren" committee, will introduce the Republican presidential nominee, Gov. Thomas E. Dewey, when Dewey speaks at a Chicago Stadium rally next Tuesday.

Brooks said in a speech to a Republican rally in the 7th congressional district, at Carmen's Hall, Van Buren and Ashland avenues, that "Democratic candidates for congress and for state and local offices, not only in Illinois but in other parts of the nation, are making few references" to Mr. Truman. He added:

"The political polls everywhere show the people are turning away from his administration. Many Democratic newspapers throughout the nation have neglected to endorse him."

CATHOLIC PRIMATE OF POLAND DIES

Warsaw, Poland, Oct. 22—(AP)—August Cardinal Hlond, energetic personality in the Roman Catholic church's fight on communism, died today. He was 67.

The primate of Poland was stricken with appendicitis nine days ago and pneumonia reduced the college of Cardinals to 56, 14 less than its quota of 70.

Both Nations Obey Order Of Mediator

Nirarn, Palestine, Oct. 22—(AP)—The Negev sands were peaceful tonight after a week of some of the bloodiest fighting in Palestine's war.

Israel ordered its troops to stop firing at 3 p.m. (6 a.m., Central Standard Time), the hour set by the acting U. N. mediator, and tonight United Nations officers reported:

"All is quiet. The truce is working."

The U. N. teams were touring the whole of southern Palestine in white jeeps under white flags.

(In Cairo the Egyptian government informed the U. N. it also had ordered a cease-fire at the hour set by Dr. Ralph Bunche, acting U. N. mediator.)

Cairo Reports Air Raid
(Cairo reported anti-aircraft fire and a two hour air raid alarm Friday night, however. Jewish-held Haifa also reported an air-raid alarm at 6 p.m. and the sound of anti-aircraft guns.)

(Gaza dispatches said that three headquarters announced negotiations would begin at once to implement the security council's resolution for withdrawal of both sides to the lines held on Oct. 14 when the fighting broke out.)

Here in this tiny Jewish colony just seven miles northeast of the Egyptian base of Gaza, Jews are licking their wounds and preparing for the possibility that fighting may start again.

All Is Silent
Egyptian forces, driven from here, lashed at Nirarn with artillery until a few minutes before 3 p.m., the hour of the cease-fire order, then went silent.

Last to die in defense of the settlement was a young Jewish soldier killed by a shell fragment 12 minutes before the deadline.

The last half of the 60-mile road from Tel Aviv to this Jewish outpost was flanked by Egyptian positions and Israeli gunposts taken from the Egyptians in the past week.

Smoke curled peacefully from some villages along the route. Other lay in ruins.

All along the highway Israeli soldiers worked in the rear repairing Arab positions taken in the week-long struggle. Most of the positions were marked by trenches and pillboxes on heights overlooking the road.

Prison Escapees Given Long Terms In Illinois Pen

Ottawa, Ill., Oct. 22—(AP)—Three Mississippi prison breakers were given long terms in the Illinois state penitentiary today for a jail-break here last month.

George Brooks, 24, his brother, John, 21, and Lewis Thomas 22 were each sentenced to serve one year to life after they pleaded guilty to armed robbery in circuit court.

Judge Louis A. Zearing recommended that the sentences run not less than 10 years nor more than 25 years.

The armed robbery charge was based upon the taking of a jailer's keys at gun point during the break from the La Salle county jail Sept. 23. They were recaptured after several days' search by posse.

The men had been in jail awaiting action of Mississippi authorities. They were arrested in Illinois after an earlier break from the Mississippi state prison.

The Brooks brothers and Thomas were not represented by attorney. They told the court they didn't want any legal counsel.

Grand Jury Begins Investigation Of Parnell's Office

Washington, Oct. 22—(AP)—Justice department officials said tonight the department has started a grand jury investigation into the handling of payrolls in the office of Rep. Parnell Thomas (R-NJ), chairman of the House committee on un-American activities.

The regular District of Columbia grand jury for the October term of court convened during the day, and officials said that the case presented to it included the Thomas inquiry.

The House committee which Thomas heads has been at odds with the justice department in connection with the committee's hearings on alleged espionage activities among government employees.

Officials said that Assistant Attorney General Alex Campbell was among those who went before the jury this afternoon. He was understood to have given the grand jury a report on an investigation by the FBI into published charges of irregularities in the handling of the payroll in Thomas' office.

Campbell told reporters late in September that Attorney General Clark had received a petition from 17 lawyers in Thomas home district requesting an investigation as a result of a series of articles by Drew Pearson, newspaper columnist, which alleged irregular practices in the handling of Thomas' office payrolls.

BEG YOUR PARDON!
Newark, N.J., Oct. 22—(AP)—A well wisher rapped on the rear window of a print shop during the night and shouted as discreetly as a tipster can: "Hey, Joe, I think you're gonna be raided."

The window opened and a police officer looked out.

There was a sudden dash from the open window.

DOES YOUR VOTE COUNT?

(Chicago Sun-Times)
A voter sometimes wonders whether his one ballot cast on election day is "really important."
One vote is always important. A candidate for a Virginia county board of supervisors recently was elected by one vote.
In Texas a few weeks ago, Representative Lyndon Johnson won the Democratic nomination for the senate by a majority of 87 votes—out of nearly one million cast. Those 87 votes actually could affect the future of important legislation concerning the affairs of all Americans.
If Johnson is elected to the senate his vote possibly could be the determining factor in a close ballot on important legislation. He would probably help to the Democratic party line closer than would his recent opponent, former Governor Coke Stevenson. Stevenson last week revealed his true political sympathies by announcing his support of the Republican candidate for the senate.
But whether a candidate is elected by one, 87 or a million votes, each ballot is important in itself. Failure to vote is a failure to live up to a top responsibility of citizenship.

Group Of Health Films Are Shown To Orleans Club

Three health films were shown members of the Orleans Woman's Country club at their regular bi-monthly meeting held with Mrs. Carrie Moeller. The films were shown by Mrs. George Greenier and Mr. Wright of the Morgan county health staff. They were introduced to the group by Mrs. Nell Stevenson, program chairman.
The meeting, presided over by the president, Mrs. Dorothy Negus, opened with a piano solo by Mrs. Lilly Clegg. Minutes of the last meeting were read by the secretary, Mrs. Grace Davenport.
A collection was taken, part of which was donated to the Community Chest, while the remainder was retained for the Oak Lawn Stove Fund, project of the County Federation of Women's clubs. A report on this project was given by Mrs. Roy Davenport.
Committees to take charge of the open meeting on Nov. 16 were appointed by the president. They are Mrs. Mae Kinnert, chairman, Mrs. Carrie Moeller and Mrs. Hazel Wood.

Dorothy Newberry Becomes Bride In Rites At Manito

Miss Dorothy Newberry, formerly of this city, became the bride of James F. Waddell of Manito in a double ring ceremony Oct. 3 at the Manito Methodist church. The ceremony was performed by Rev. Joseph Hobbs.

Attendants of the couple were Miss Betty Roth of Pekin and Leslie Smith of Manito.

The bride wore an attractive three-piece ensemble in a lovely blue shade and had a shoulder corsage of red roses. With her costume she wore white accessories. She carried an heirloom lace handkerchief belonging to her grandmother, Mrs. J. W. Crawford of Jacksonville.

The bridesmaid, Miss Roth, wore a two-piece gray suit with black accessories. She also wore red shoes. Mrs. Ray Lightfritz, mother of the bride, chose a black, side drape dress with which she wore blue accessories.

Mrs. James F. Waddell, mother of the groom, was attired in a gray suit with black accessories.

Following the nuptials, wedding guests were served dinner at the home of the groom's parents near Manito. Later a three-tiered wedding cake was cut.

The newlyweds left the same evening for a southern wedding trip. They will make their home near Manito where the groom is engaged in farming.

The bride is the daughter of Mrs. Ray Lightfritz, 1715 South East street, and resided in this city for a number of years. She is a graduate of the Pekin high school with the class of 1948, and has been employed as a bookkeeper at the Pekin airport.

Mr. Waddell, son of Mr. and Mrs. James F. Waddell of Manito, was graduated from the high school at his home town in 1944. He served two years with the armed forces, earning the rank of sergeant. He spent several months in overseas duty.

Out-of-town guests at the wedding were Mrs. J. W. Crawford of Jacksonville; Miss Florence Rawlings and Miss Mary Ellen Rawlings of Franklin; Robert Doty of Pekin; Mrs. Thomas Muntman of Jacksonville; Mr. and Mrs. Joe Parson, Mr. and Mrs. Charles Smith, Gene and Joan Hawk, all of Pekin.

BOY SCOUTS TO ASSIST WITH HALLOWEEN PARADE

The Boy Scouts of the Jacksonville Area will assist the Exchange club in staging the Halloween parade Friday evening, October 29. Boy Scouts are required to report at Dunlap Court at 6:30 p.m. The parade forms, according to D. M. McDermott, local Scout Executive. Scouting is supported by the Morgan County Community Chest.

Six LIFESAVING RULES FOR FARM PEOPLE

TAKE TIME TO BE SAFE

The loss of an arm or leg is a high price to pay for saving ten seconds. When operating power machinery, take time to be careful.

Your life will be safer if you...

Observe these simple rules:

- 1 Shut off P.T.O. before attempting to unclog corn picker, baler, etc.
- 2 Keep all shields in place when operating machine.
- 3 Don't trust defective hitch, brakes, clutches, seats.
- 4 Never mount or dismount from a moving tractor. Don't ride on drawbar.
- 5 Don't wear loose, floppy clothing around power machinery.
- 6 Think first. After the accident it is too late.

This year a disabling injury probably will strike some farm person every 19 seconds. Don't let carelessness put your name on that list.

City Plan Experts To Submit Proposal For Work In Jacksonville

Harland Bartholomew & Associates of St. Louis, Mo., a city planning organization, will submit to the City of Jacksonville a proposal for the complete overhauling of the present City Plan (adopted in 1926) and revision of zoning laws.

The company will explain its services and offer a contract at the request of the ordinance committee and the council. A representative probably will attend next week's council meeting.

City officials including Mayor Hoagland, City Attorney Albert W.

Hall and Aldermen Kelly, Baker, Weaver and Costello were present at a conference here a short time ago at which a representative of the company was present. The St. Louis firm was contacted after Jacksonville officials asked the Illinois Municipal League for recommendations on zoning questions.

Harland Bartholomew & Associates was engaged by Quincy to create a new city plan, the first in that city's history, and to revise the Decatur zoning laws, which have been in effect for a number of years.

Jacksonville's present City Plan was adopted in 1926 after two years' of study and survey by a professional company and a city planning commission which was appointed by former mayor E. E. Crabtree. Many of its provisions have become outmoded, resulting in problems which city officials hope will be eliminated if a new plan is adopted.

Several weeks ago the council voted to table all petitions for rezoning until a new plan becomes effective. At this week's session, however, the council voted to proceed with consideration of petitions on file. Should the services of a city planning organization be engaged, it is expected that expert assistance on present zoning problems will be made available.

Mayor Hoagland and Aldermen Kelly of the ordinance committee have estimated that the preparation of a new City Plan, necessitating much technical research and surveys, would require at least six months.

Scouts Erect Street Signs

Cub and Boy Scouts from Troop 113 sponsored by the South Jacksonville P.T.A. are shown putting up street signs that they made for the village of South Jacksonville. In the group are Jim Steelman, Dean Perkins, Jim Wallace and Bob Rawlings. H. L. Steelman is Scoutmaster and Robert Wallace is Cubmaster of the troop. Scouting in Morgan county is affiliated with the Community Chest.

David Prince PTA Names Committees For Coming Year

The executive committee of the P.T.A. of the David Prince Junior High school has announced the appointment of committees for the coming year. GOVERNOR GREEN'S ACCOMPLISHMENTS

Citizens of Illinois are manifestly proud of what Governor Dwight H. Green's administration has done for Farmers, Workers, Businessmen, for Veterans, the Aged, Dependent Children, the Blind and in other constructive programs that affect the entire population. Every citizen in every County has benefited. Below are specific benefits of Governor Green's administration

FOR MORGAN COUNTY:

SCHOOLS Morgan county's share of the state school fund was \$112,274.39 for 1947-48. Under Governor Green each session of the Legislature has increased common school grants. The present appropriation is 155% greater than 1939-41, the last under the Democratic administration.

Under the present administration the University of Illinois received appropriations of \$84,594,118 for the present biennium. (The U. of I. received \$17,131,536 for the biennium of the last Democratic administration.)

VETERANS' BONUS The first 1,702 veterans in Morgan county to get their bonus received \$649,508.41. When completed some 2,835 Morgan county veterans will receive approximately \$1,081,872.54.

PUBLIC AID \$3,749,324.02 expended for General Relief, Old Age, Blind, and Mothers' Pensions and Aid to Dependent Children since 1940. State contributions, including federal assistance, totaled \$3,193,176.87. Only 14.8% or \$556,147.15 was obtained by local tax levies for general relief in Morgan county.

HIGHWAYS \$1,291,868.05 highway construction awards have been let for Morgan county since 1940... \$354,434.19 expended for highway maintenance... \$692,968.90 Motor Fuel Tax... \$221,047.82 for township roads (the first ever appropriated by any administration) "in the 1945-47 biennium. Another similar appropriation is now being allocated" . . . a grand total of \$2,560,318.96 for Morgan county roads.

WELFARE Expended \$252,073.00 for care of 360 Morgan county patients in Welfare Institutions during 1947 and a total of \$1,146,015.00 during Governor Green's administration.

AIRPORT DEVELOPMENT Granted \$70,000, gave engineering assistance and technical aid in development of Municipal Airport at Jacksonville.

POST-WAR PLANNING Post-War Planning Commission has allotted \$18,452.00 to Morgan county, its cities and school districts for plan preparations of public works projects, which will cost \$1,453,559.00 when completed.

STATE PARKS Siloam Springs new park purchased for this area... Development will include new roads, shelter house and lake... New Salem developments include wool carding mill, Boy Scout cabin, rebuilt roads, playground equipment and addition to Wagon Wheel Inn.

CONSERVATION Planted 476,000 trees and distributed 1,887,135 fish... Assisted Illinois College in establishing college forest for education purposes and assisted in formulating plans for planting 1,300 acre forest... Approximate cost \$35,000.

HOSPITALS The state is contributing \$700,000 for the construction of a hospital in Jacksonville.

• Senator D. Logan Giffin and Rep. Hugh Green and Rep. G. William Horsley have outstanding records under Governor Green's administration and have played an important part in the accomplishments listed here for Morgan county.

Officials: Shields, Greenfield, referee; Fitch, Franklin, umpire; Metternick, Pittsfield, head linesman.

Place: Jacksonville high school field.

Kickoff: 2:30 p.m.

Breaks are expected to swing the balance here Saturday afternoon when Illinois College and Wesleyan, both undefeated in the College Conference of Illinois, clash in a crucial league game and the feature attraction of this year's I.C. homecoming.

The combat, expected to draw one of the best Saturday afternoon crowds in the history of the Blueboys, will be played at the Jacksonville high school athletic field beginning at 2:30 o'clock.

Although the two old rivals appear evenly matched, the invading Titans show a superiority in depth which is difficult to discount in a close, hard-fought tilt like this is billed to be. Coaches Al Miller and Joe Brooks of the Blueboys are relying more on 60-minute players, and they appear to have some of the best among small college field performers.

Four Straight Wins

The hosts will go forth to protect a string of four consecutive victories. Scott Field, Principia, North Central and Eureka all have fallen before the powerful Jacksonville team, which has pulled one of the most impressive turnabouts in I.C. football annals. The Blueboys dropped nine straight last season.

Illinois Wesleyan comes here with three wins and a loss. The vanquished opponents include two from the CCI, however—Wheaton and Elmhurst. The other win was over Shurtliff. The loss was at the hand of Indiana State in a muddy encounter last week end.

If there's any favorite Saturday, it should be Wesleyan. Last year the Bloomington herd dropped the hilltoppers 15-0. Wesleyan has added tremendous strength this season in the form of established prep performers of 1947. Illinois College has much the same team.

Sensational Showing

To say that the Blue boys have astounded Jacksonville and CCI fans this fall would be an understatement. Apparently the few key players who were added on the hilltop and a year of experience for the others was all that was needed to mold a winning combination.

Illinois College has been terrific this year, racking up 78 points to 14 for the opposition.

Illinois Wesleyan has outscored opponents 66 to 26. The Titans hit the 20-mark three times in four outings.

Lines are the strongest talking points for both outfits. Wesleyan has a veteran forward wall built around center and captain Curt Brown. Illinois College shows four 1947 players and three newcomers with five Jacksonville boys in the starting seven. Both clubs apparently have adequate line replacements.

Good Runners, Passers

The visiting eleven will boast superior backfield depth, however. Although the Titans have had some last-minute injuries, they still have plenty of capable runners. Illinois, on the other hand, had only six backs dressed for rehearsal Thursday afternoon after minor injuries sidelined Art Williamson and Bob Scheller, both second-year-men for the hilltoppers.

Coach Bob Morrow, who leads the Bloomington squad in their appearance here, will depend heavily on the accuracy of Salem's Bill Finks' right arm and the swivel-hipped running of his two fine halfbacks, Gerry Bradley of Harvey and Jack Begley of Holyoke, Mass.

Bradley, in three games this year, has run up an average of 4.8 yards per try and has caught seven passes for 150 yards and three touchdowns. Begley is the 147-pound freshman who never played football in high school but has been tearing up the turf since he came to Wesleyan. His 45-yard for a touchdown against Wheaton put the game on ice. Begley missed the Indiana State contest last week end. But he'll be back trying to give the Blueboys trouble.

Gross vs. Gross

Bill Gross, promising freshman from Gibson City who hasn't played since the Shurtliff season opener four weeks ago, is expected to be back in shape for a possible duel with his cousin, Bill Gross of Danville, Illinois' star fullback.

Wesleyan will operate in the backfield without Louis Polovich, sub fullback, who has suffered a separation and won't be on deck.

Old Illinois appears to be in top physical shape and Coach Miller has indicated he'll shoot the works in an effort to win Saturday.

Although Scheller and Williamson were sidelined Thursday, their hurts are of a minor nature and they'll be available for the big game.

Whether the subs will get to see much action depends upon Miller's five backfield stalwarts, who have been handling a lion's share of the duties.

Wesleyan is poised to stop Art Wilson, small Quincy negro speedster who is regarded as the fastest back in the Little Nine. But Wilson has some equally capable running mates who the Titans had best not overlook.

Other Good Backs

Bob Grove, former Canton signal caller, handles the intricate I.C. attack.

Playing his final season for the westenders is Joe Hill, crashing halfback who has been a standout throughout his college career. And Gross, who completes the first four, has proven adept at just about any backfield assignment.

Dave Billings, Danville basketball star, is a fifth backfield regular. He'll be in there on defense and, quite possibly, on offense much of the time.

The Titans may be without their star tackle, Don Eddy, Bloomington high school all-star in 1942. Although included in the starting lineup, Eddy, suffered a separation this week and he's listed as doubtful by Coach Morrow.

Browns Anchors Line

Brown, twice all-conference center, will again be the mainstay of the Wesleyan line. The Wilmette player has been improving each year. Last season he turned down a contract with the Buffalo Bills pro team. The other tackle will be Pete Kearney, all-conference at his position last season. Jim Desorney of Chicago has been switched to end, where he'll start. Gus Plotch of Dearborn, Mich., another newcomer, has also improved on defense. Carl Bird and Bill Osnes, the two guards, complete the first string.

Co-captains Jim and Sam Spink, former Jacksonville high school tackles, give the Blueboys' forward wall plenty of power near the flanks. They're joined by two more Jacksonville boys, Paul Lasley and George Florence, both newcomers who work at guards. The fifth Jacksonville lineman is End Charlie Due, in his second season on the hilltop. Ray Paxton of Georgetown, yearling freshman, and Don Longer of Danville, veteran end, complete the list.

Capable Replacements

I.C. has capable line substitutes, including guards Mathews and Harshman, tackles Brand and Rust, center Lachinski and end Christensen. Wesleyan heads for Jacksonville with the sole idea of whipping the Blueboys. All reports from the Bloomington campus indicate the invaders are "steamed up" for the fray.

Pass offense and defense have been the steady diet of both outfits in drills this week. Fans can look for aerial fireworks.

Stadium At Stake In H. S. Grid Tilt

Sudan, Tex., Oct. 22.—(AP)—A stadium is at stake tonight when Morton high school tangles with Sudan. E. O. Masten, wealthy farmer with extensive holdings in the Sudan and Morton areas, has promised to build a stadium for Morton high school if the Indians score tonight against Sudan.

CHICAGO LIVESTOCK MARKET REPORT

Chicago, Oct. 22.—(AP)—Hogs dropped 25 cents a hundred pounds in the livestock trade today but cattle and sheep generally were steady.

Most good and choice barrows and gilts sold from \$25.50 to \$26.25, but a few lots of choice butchers brought \$26.50 in early deals. Weights above 310 were practically absent. Sows sold from \$23.00 to \$25.00 and a top of \$25.25.

Choice steers and heifers were absent. Good fed steers sold at \$33.00 and medium heifers at \$22.50 to \$26.00. Beef cows found a ceiling at \$23.00, sausage bulls at \$23.50, and vealers at \$32.00. A load of choice yearling stock steers brought \$30.00.

Slaughter lambs fetched \$24.50 to \$25.25 for most good and choice natives and western and native ewes topped at \$9.50.

Total receipts included 9,500 hogs, 2,300 cattle, 300 calves and 2,500 sheep.

FEED GRAINS SHOW DOWNWARD TREND; WHEAT STEADY

Chicago, Oct. 22.—(AP)—Feed grains turned downward on the Board of Trade today while wheat maintained a steady tone. Easiness in corn and oats was caused by less urgent demand for the cash grain, particularly corn.

Purchases of cash corn on a to-arrive basis from the country expanded to more than 100,000 bushels. Prices in the spot market were off a few cents.

Wheat was aided by a weather bureau five day forecast showing little prospect of rain in the south-west winter wheat area. Purchases of moderate quantities of flour by France also helped, as did trade reports of a slight pick-up in domestic flour business.

The strength and activity in securities at New York was not reflected by similar developments in the grain pits.

Receipts were: wheat 6 cars, corn 163, oats 12 and soybeans 162. Wheat closed 1-1/2 higher, December \$2.283-1/2, corn was 1-1/2 lower, December \$1.391-1/2, oats were 1/2 lower to 1 higher, December 76 1/2, soybeans were unchanged to 1/2 lower, November \$2.473-1/2, and December \$2.480-1/2, and soybeans were 1/2 higher, October \$19.20-1/2 to \$19.30.

Eagles' Thompson Abandons Plans For Pro Peace

New York, Oct. 22.—(AP)—Alex Thompson, the young sportsman who owns the Philadelphia Eagles of the National football league, today declared war to the death on the rival All-America conference.

In a radical about-face after having tried for two years to serve as peacemaker between the rival money circuits, Thompson declared: "Any conciliation between the leagues now is impossible. I've made my efforts, and now the hell with it. From now on it's really going to be a battle."

Only the past week the Eagles' owner pleaded in a national magazine article that the two leagues get together on a common draft, halt the ruinous competition for players and quit throwing their money away.

He said he still felt that way about it until last Monday. He said he had asked all the club presidents of the National league to meet with their opposite numbers of the All-American conference on Tuesday at his office here, "and get acquainted."

"I just about had it fixed," he said. "I felt that if they would get to know each other they might settle their differences and end this silly business of throwing money away. But then Dan Topping (president of the New York Yankees of the All-America conference) blew his top. When my people heard what Dan had said they backed out of the meeting. Now it's impossible to do anything more about it, and from now on I'm in the fight against the All-America as strongly as our other owners."

Topping, in the talk that broke up the project peace meeting, told metropolitan writers at a luncheon on Monday that the New York Giants of the National league stood to lose \$200,000 this season.

Markets at a Glance

New York, Oct. 22.—(AP)—Stocks—Strong; steel up sharply. Bonds—Irrregular; some rails improve. Cotton—Mixed; hedging offset by mill buying.

Chicago Wheat—Firm; pick up in flour business.

Crimsons Take Lashing 33-0 At Carlinville

Carlinville.—(Special)—Jacksonville high school's Crimsons took their second Central conference lashing in eight days here Friday night, losing to Carlinville's greatly improved Cavaliers, 33-0.

Coach Bob Kraushaar's invaders were totally outplayed from start to finish and never launched a serious drive.

So superior was the host team that Coach Rosetti's outfit piled up 14 first downs to four for the visitors.

Gain Around Ends

Jacksonville's flanks proved most vulnerable for the Carlinville speedsters. Both McLaughlin and Hartley made repeated wide dashes of 20 yards and more.

The J.H.S. mentor was so disgusted with the showing of his charges that after Quarterback Gene Todt was injured in the third quarter he ran in a host of substitutes. Second stringers from the two schools battled it out in the fourth stanza with the home team outscoring the visitors by one touchdown and extra point.

It didn't take the Cavaliers long to rack up a marker. They took the kickoff and used four first downs to march into scoring territory. McLaughlin then made a short dash off tackle to pay dirt. An attempted conversion was wide of the uprights.

Jacksonville Threat

The ball exchanged hands several times during the remainder of the first period and well into the second quarter. A Carlinville fumble gave rise to Jacksonville hopes shortly after the opening of the second canto, but after moving to the 15 on three runs and a pass, the Crimsons were set back by a roughness penalty and punted.

A 50-yard pass, Fanner to Hartley, set up the next score. Fanner tossed to Hartley again to move the ball to the Jacksonville 17. After another first down, Fanner sneaked over from his quarterback position. Hartley kicked the extra point.

The end of the half found Johnny Walker, J.H.S. freshman back, passing in a vain effort to get a touchdown.

Second Half

A bad center on the first play from scrimmage of the second half got the Crimsons off on the wrong foot. Carlinville recovered on the J.H.S. 15 and after an end run off tackle to score. He again converted.

Carlinville recovered a fumble on the J.H.S. 12 after a punt attempt. Allen went around end to the three. Hartley plunged over. A pass failed on the try for another marker.

A pass was responsible for the last quarter touchdown. Snodgrass threw to Conklin after a series of end runs moved the hosts into scoring territory. Snodgrass again chucked, this time to Allen, for the added tally.

By quarters: Carlinville.....6 7 13 7—33
Officials: Ruffini, referee; Teddes, umpire; Stewart, head linesman; all of Alton.

Carrollton Downs Roodhouse Eleven In Valley Combat

Roodhouse.—(Special)—Carrollton gained a hard-earned Illinois Valley conference victory over the Roodhouse Railroaders here Friday afternoon, pushing over a fourth-quarter touchdown for a 7-0 decision.

The lone marker came on a three-yard plunge by Brannan after a Railroaders fumble had given the invaders the ball in Roodhouse territory.

Roodhouse drives were stopped in Carrollton territory several times during the game. In the second quarter the Hawks held on downs on their own 4. In the final period with Quarterback Scott pitching aerials at a blistering pace, an interception on the 20 ended a threat. Scott had just completed two 30-yard tosses to Benner.

The two aggregations were about even in first downs. The majority of action was in midfield.

By quarters: Carrollton.....0 0 0 7—7
Officials: Orr, Springfield, referee; O'Hara, Springfield, umpire; Hemminger, Alton, head linesman.

Saukees Beat Panthers In Ivy Feature Friday

Pittsfield.—(Special)—Coach Glen Smith's Saukees virtually clinched another Illinois Valley conference title here Friday night by noing out previously unbeaten Jerseyville in a thrilling 7-6 encounter.

Pittsfield's star back, Bob Kattelman, who has been inactive with an injury the last few weeks, had the honor of scoring the winning point as he booted a place-kick through the uprights following the Indians' first-period score.

Fine Ball Game

Fans witnessed a tilt which lived up to all advance predictions, although action ran in a defensive, instead of offensive, vein. Neither club looked powerful with the ball, the two fine defenses holding the vaunted attacks in check most of the way.

The majority of the action was in mid-field. Until late in the contest, Pittsfield held the upper hand on the punting. First downs were fairly even.

Pittsfield wasted no time in pushing the pigskin over the goal line. Following a Jerseyville punt, the Saukees marched over 50 yards to pay dirt. Rhodes went over from five yards out on an off-tackle play. The

point was added on Kattelman's boot.

Score In Fourth

The Panthers waited until the fourth stanza to chalk up a touchdown. They moved to the two-foot line by the end of the third period. Ralph Bailey then went through tackle for the marker.

The visitors tried an end run for the all-important extra point, but the runner was tackled before reaching the pay-off stripe.

Jerseyville almost scored on the first play of the game. The visiting aggregation set up a perfect sleeper play which caught the Saukee defense napping. The pass was a bit short, however, and fell incomplete.

Good Punting

Beard, the Pittsfield punter, twice set Jerseyville back with out-of-bounds punts between the 10-yard marker and the goal line.

Jerseyville was punning high and short in the early stages, but later got some boots which carried for good distances.

The scoring: Pittsfield.....7 0 0 0—7
Jerseyville.....0 0 0 6—6
Officials: Barrett, referee; Foehr, umpire; Kirchner, head linesman; all of Quincy.

U.S. Grid Powers Face Few Serious Challenges Today

New York, Oct. 22.—(AP)—With the college football season crossing the halfway mark tomorrow, the only teams among the nation's top ten which appear to be in any real danger of losing their lofty status are a couple of eastern powers—Army and Penn State.

Michigan, currently rated the best in the land, also faces what might be a tough assignment. But the other seven members of the select circle—Notre Dame, North Carolina, California, Georgia Tech, Pennsylvania, Missouri and Northwestern—figure to win just about as they please.

Two Unbeaten Rivals

Army travels to update New York for the first time in history to take on Cornell in the only game of the day involving two major unbeaten and untied clubs. Both have won four straight. Army stands fifth in the Associated Press rankings and Cornell 12th.

Added interest in their fracas is furnished by the latest statistics, which show Army's record for attacking on the ground to be the best in the country and Cornell's defensive mark against a rushing game to be second only to that of Georgia Tech.

Penn State, unbeaten in two years and now rated No. 8, will meet an invading Michigan State team that lost to Michigan by only six points and to Notre Dame by 19. Like the Army-Cornell tussle, this one could go either way and some observers are calling the home club the underdog.

Michigan vs. Minnesota

Michigan, having blanked Oregon, Purdue and Northwestern since its opening squeak against Michigan State, invades Minnesota with more than the Little Brown Jug at stake. The Wolverines will be striving to protect their perfect record and their Big Nine lead, while the Gophers will be shooting for the Ross Bowl trip.

Notre Dame and California also travel this week, the Irish invading Iowa and the Golden Bears visiting Washington. Others among the top 10 team line up on their home fields like this:

Louisiana State at North Carolina, Florida at Georgia Tech, Navy at Pennsylvania, Iowa State at Missouri and Syracuse at Northwestern. Anything but a victory for any of the top 10 except Army and Penn State would be a resounding upset.

Other Big Nine Games

Two other Big Nine games among the midwestern headlines send Wisconsin to Ohio State and Purdue to Illinois. In the big seven, it will be Nebraska at Kansas and Kansas State at Colorado, in addition to the Iowa-State Missouri fust.

Other major encounters include such inter-sectional struggles as Nevada at Tulsa, Kentucky at Marquette, Temple at Oklahoma A. and M., and Indiana at Pittsburgh.

Taylor Suspended For Poor Showing Against Mauriello

New York, Oct. 22.—(AP)—Heavyweight Roy Taylor, who was stopped in the second round by Tami Mauriello last Tuesday night, has been suspended by the New York State Athletic Commission.

Col. Edward Eagan said the New York fighter had been set down for an "unsatisfactory performance" in the fight. Taylor, 182 1/2, was stopped by Mauriello, 210, of New York in the second round of a scheduled ten-round bout at Park Arena.

He has won 20 of 35 professional fights.

The Hungarian partridge is native to central Europe. It was imported to this country about 50 years ago, and is an ideal game bird because it is able to withstand droughts and severe winters.

Tigers Beat Kincaid 32-19 Here Friday; Still Undefeated

Coach Art Yates' Illinois School the Tigers used three plays before for the first time scored at Yates passed to Kwiatk in the end will Friday afternoon in chalking up zone for the counter. A plunge for a 32-19 football victory over a green Kincaid aggregation in a contest on the Tigers' gridiron.

The westenders met far less competition than had been anticipated and had no trouble in protecting their 1948 victory string, which now stands at five straight.

All of the Ponies' markers were scored with I.S.D. substitutes on the field. Tiger second and third stringers saw more action in the fray than did the varsity.

Two Fair Runners

Kincaid failed to uncork much on offense. Main claims to fame for the visitors lay in a hard-running, but unpunished fullback, Yerly, and a speedy halfback, B. Smith. Once Smith got into the open, he was hard to catch, but the Tiger first stringers never gave him an opportunity to get away.

For the hosts it was much the same story on offense. Kwiatk's powerful thrusts into the line, Yates' occasional passes and runs and consistently fine quarterbacking and dashes around the flanks by Hood and Early. The Tigers brought the flea-flicker into play in their end runs time after time.

The I.S.D. line performed well. The Tiger forward wall sifted through the Kincaid line repeatedly and also was credited with partially blocked punts and recovered fumbles.

Score Early

The home team lost little time in taking the lead. Kincaid received the kick and was immediately set back to the 8 by a clipping penalty. With fourth down and 5, the Ponies punted and saw the kick partially blocked.

I.S.D. took over on the Kincaid 37. Six plays later David Early went over on a flea-flicker to the right from four yards out. Yates' kick for extra point was into the line.

The Tigers' didn't score again in the first quarter. B. Smith carried a statue of liberty flag pass all the way to the I.S.D. 14-yard line on a 40-yard dash. He fumbled when tackled hard by Yates and Hoffman recovered for the hosts.

Long March

I.S.D. started a long drive and was on the Kincaid 19 at the quarter. Four plays were required for a marker in the second period, Yates going over on a quarterback sneak from a yard out. Kwiatk plunged for another point.

Midway in the period the home team struck again. Taking the ball on the Kincaid 13 after a bad punt.

The Loves of Carmen
By SOPHIE KERR
Copyright, 1948, NEA SERVICE, INC.

THE STORY: Don Jose, young officer in a fashionable Spanish regiment, falls victim to the charms of the bewitching gypsy, Carmen. He kills his commanding officer in a sword-fight over her and is forced to flee to a mountain hide-out, where he joins the band of ex-pats, fugitives who are Carmen's associates. His last illusion is shattered when he learns that Garcia, the leader, is Carmen's husband. Jose remains in the camp while the others go off on an expedition. Carmen is to pick up a victim in town and lure him to a deserted house, where the men will beat and rob him. But Carmen changes her mind, decides to have a fling of her own. She meets and flirts with Lucas, a bandit; but does not take him to be robbed. When she gets back to the camp, she finds Don Jose alone. He has been killed by the bandits. Enraged at Carmen's double-cross, he strikes her. Jose goes to him and the two men fight it out with knives. Garcia is slain. Jose later tells Dancaire that he intends to marry Carmen. "It won't work," Navarro says. Dancaire, "Dog and wolf weren't made to live together. You'll see."

XXIII
THE outlaw band rode slowly across the flat, dusty valley with a string of pack mules behind Don Jose's lead horse. Carmen rode with Jose, her arms around his waist. They were both exultantly happy. He talked to her over his shoulder. "Isn't one camp the same as another? Why are we moving?" Carmen shrugged. "We move when the birds move. They have an instinct about these things. We go now to our winter home, Jose-ito." She leaned her cheek on his shoulder and pretended to be a lady of fashion. "We should send out invitations. I think. The Senor and the Senora Liza—" Her tongue couldn't manage it. "What did you say our name is?" Jose laughed proudly. "Lizabengoa." Carmen didn't try it again. "We will be at home for the winter in the caves at Granada." "Won't it be cold, living in a cave?"

Alumni Return To I. C. For Homecoming Game With Wesleyan Today

The annual Illinois College homecoming festivities got off to a flying start Friday and if good weather prevails today the Hilltop school anticipates the biggest homecoming since pre-war days. Many returning alumni checked in Friday and many more are expected today, keyed by the splendid record of the Blueboys.

Arenzville League Holds Halloween Party Thursday

Arenzville—The St. Peter's Luther League held a Halloween party at the parish hall Thursday evening. The group came masked and in costume. During the business session plans were made to go roller skating on Nov. 3. After the business meeting the games were played.

Those present included Jean and Mary Margaret Nordseik, Bobby Meyer, Charles Hendrick, Richard and Rosanne Ruppel, Marilyn Burr, Ada Winkelman, Ruth Dahman, Clarice Hierman and the host and hostess, the Rev. and Mrs. E. A. Slotta, who served refreshments.

Home Bureau Program

The Arenzville unit of the Home Bureau met recently at the home of Mrs. Alvin Heitbrink. Mrs. Gerald Hobrock gave the major lesson on "banking" and the minor lesson on "emergency meals" was given by Mrs. O. W. Hackman, who also gave a short talk on safety. The health topic was given by Mrs. Florence Noble at the close of the business session the group enjoyed several contests, with prizes going to Mrs. Elmer Roegge and Mrs. Bud Morrison. The next meeting will be held at the home of Mrs. James Manker. Mrs. King, home adviser, will be in charge of the major lesson.

Mission Group Meets

The Women's Missionary society met at the home of Mrs. Earl Hackman Thursday afternoon. The meeting opened with group singing and Mrs. Inez Dahman presented the topic "Christian Frontiers." A social hour was enjoyed by the group.

Those present were Mrs. Elsie Winkelman, Mrs. A. L. Weeks, Mrs. George Musch, Mrs. Russel Nordseik, Miss Rena Fischer, Miss Deana and Miss Irene Fischer, the Rev. E. A. Slotta, and two guests, Mrs. Acom and Linda Acom.

Cheerleaders Selected

At the yearly election held at the Arenzville grade school the following students were chosen as cheerleaders: Karla Hart, Elita Mullins, and Jean Muehkus. Marshal Mankin was chosen as captain and the following were chosen as cheerleaders: Karla Hart, Elita Mullins, and Jean Muehkus.

Scott Conservation District To Hold Field Day Monday

Winchester—There will be a soil conservation field day for Scott county farmers at the Warren Brookhouse farm, near Concord at 2 p.m., Monday Oct. 25.

Persons wishing to attend may meet at the farm bureau office here and leave in a group at 1 p.m. or meet at the farm.

"Mr. Brookhouse has done an excellent job of conservation and his experiences and program can be of great value to the members of the new Scott county district," Farm Adviser Slayton said. He urged that as many farmers and landowners as possible attend this meeting.

Girl Scouts Chart Year's Activities At Fall Meeting

Jacksonville Senior Girl Scouts may participate in seven various activities during the coming year: a camera club, a year-round camping group, child care, journalism, clothes-styling and buying, hospital aides and troop aides.

The program were compiled Thursday when the girls met at Youth Center for their first get-together.

After playing a group of games, a shadowgraph play was seen by the members. Judy Kurtz was the narrator and the players portrayed various activities which might be chosen for the year's program.

The players were Joan Wooten, Cathy Ferry, Merna Dickerson, Carlene Sandburg and Barbara Black. All registered Senior Scouts may participate in the program and may secure more information from their troop leaders.

Ten girls were nominated by the entire group to represent Senior Scouts at the Regional Convention in Detroit on November 10-12. Carlene Sandburg, Nancy Grunt, Catherine McKinley, Ruby West, Joan Huffman, Barbara Black, Elender Savage, Babette Hankla, Catherine Devlin, Merna Dickerson. Two of these girls will be chosen by the Girl Scouts Council at its meeting next Tuesday evening to accompany the adult representatives to the convention.

A sandwich lunch was served at the close of their program.

Traffic Accidents Damage Vehicles, But Nobody Hurt

Two automobile accidents occurred on the streets of Jacksonville within a period of 15 minutes Friday afternoon. A city bus, a panel truck and two automobiles were damaged, but nobody was hurt.

One of the automobiles was a 1948 Studebaker; the other a 1924 Franklin, an obsolete model powered by an air-cooled engine.

At 3:25 p.m. Alvin Middendorf, Jacksonville auctioneer, parked his new Studebaker in front of the B & I restaurant on South Main street. He got out on the driver's side. The door was struck by the northbound Franklin driven by Lawrence Ryan, 1716 S. Main street. Mr. Ryan swerved to the left and collided with the rear of a southbound truck-trailer owned by the Harris Engineering and Construction company driven by E. M. Fortenberry of Woodville, Texas. The truck was not damaged.

Fifteen minutes later a panel truck traveling west on East Morton avenue crashed into city bus No. 92 as it stood at the stop-sign at the Clay avenue intersection. The truck, a Chevrolet owned by Barr's Laundry, was driven by Earl Bridgeman, 344 E. Oak street, who told officers that he was looking in the direction of Black's filling station and did not notice the bus as he was making a left hand turn onto S. Clay.

The front end of the bus was damaged, but was able to proceed to the garage under its own power after the passengers had been transferred to another bus. The truck was towed to the Cornbelt garage.

Officers Wilson, Woods and Wilner of the city police department investigated both accidents.

Varied Program Given At Meeting Of East Side Club

A varied program was presented at the October meeting of the East Side Community club, which took place at the Morton school.

The program included vocal selections by Misses Nadine and Mary Worrall, accompanied at the piano by Mary Carl; a talk on her recent trip to New York and Canada by Mrs. Roy Newberry; piano solos by Dorothy Ivmeyer and Shirley Shumaker; and a vocal solo by Suzanne Smith, accompanied at the piano by Irene Mitchell.

Preceding the program a brief business session was conducted by the president, Gerald Shumaker. Door prizes were won by Mrs. Harry Smith and Mrs. Earl D. Walker. Refreshments were served.

The next meeting will be held Nov. 19.

Getting Ready For The Hobby Show

Mrs. Lester Seales, (left) chairman of the Waverly unit of the Home Bureau, and Mrs. C. F. Deatherage are getting ready for their part in the Morgan-Scott Home Bureau Antique-Hobby show. Mrs. Seales, who has made a hobby of 4-H work, will exhibit some work done by her group.

Mrs. Deatherage will exhibit choice items from her glass collection. Some of her favorite pieces are on the table; an ox-blood red sandwich hat, a cornucopia, a copper lustre pitcher and an overlay miniature lamp.

Scarcity Of Old Glass Makes It A Real Hobby

By Mary Ellen Broge

Mrs. C. F. Deatherage, one member of the Waverly unit who will exhibit her hobby at the Morgan-Scott Home Bureau Antique-Hobby show to be held Friday and Saturday, Nov. 12-13, at the Centenary Methodist church, has been interested in glass and dish ware since childhood. However, it wasn't until about 1930 that she and her dentist husband started "working at collecting."

Since that time the Deatherages have furnished their Waverly home in antiques and have added a great many pieces to their collections. In addition to his own hobbies, which include the collecting of stamps and old books (particularly Bibles), Mr. Deatherage spends some time helping his wife locate choice items of glassware.

Glass Scarce Here

More often than not, it's the finding of the piece that takes time and effort on the part of the collector. This is especially true in the western part of the country, due to the fact that the pioneers left their best glasses and dishes with their Eastern friends and relatives. The "collector's items" just weren't made for rough travel.

Mrs. Deatherage has been working for ten years on the "strawberry and currant" or "fruit variant" pattern and has been able to get only 18 pieces of it. She does have nine goblets of the pattern though, and the most valuable part of any collection is usually the eight drinking glasses.

She has been working on her favorite pattern, "lily and saws tooth," for the last four years but has succeeded only in obtaining nine items, three of which are goblets. Mrs. Deatherage (called Bunny by her friends) is also collecting the "dewdrop and raindrop" pattern for her 11-year-old son, David. She expects to have his collection finished by the time he's married. Yes, it does take time!

On And Off The Table

Several of Mrs. Deatherage's best pieces were gifts of her grandmother and of her mother-in-law. Then at various times she has bought goblets for table use, only to have that type of drinking glass go up in price. When the price goes up, the glassware is taken off the collection and put in with the rest of the collection.

Mrs. Deatherage's interest has led her to many second-hand stores and antique shops. There is always the danger of getting reproductions instead of the real thing these days; so now, more than ever, you have to know what you're doing. Mrs. Deatherage says that she "can tell by the feel of a thing whether or not it's good." That "feel" is something that you don't pick up overnight either.

Research A Necessity

A collector must read extensively to get the knowledge that she needs and Mrs. Deatherage is no exception. She spends a great deal of time "looking things up," especially since she became interested in silver. And, of course, she follows every issue of the Hobby magazine, the collector's Bible.

Deatherage feels that her "best piece" is a Venetian basket of art glass type. The basket has an applied handle and flowers.

In addition to her glass collection, Mrs. Deatherage is interested in rug making. Three of her rugs will be used as a background for her exhibit. A collection of buttons by her son, David, will also be shown. Although David's collection will be on exhibit both days of the Home Bureau show, the glassware will be shown only on Friday.

Mrs. Deatherage believes that "everybody should have a hobby." So she is fully in accord with Mrs. Lester Seales, chairman of the Waverly unit of the Home Bureau, who has made a hobby of directing 4-H work. That, too, takes a great deal of time and effort.

Dancers, Scheduled For Show Tonight, To Appear Feb. 5

The Charles Weidman Dance company, which was scheduled to appear on the MacMurray Lecture series tonight at the Jacksonville High School auditorium, has postponed its appearance in Jacksonville until Saturday, Feb. 5, 1949.

The lecture committee announced today that this change was necessitated by the cancellation of the transcontinental tour previously planned by the dance company.

Vets' Gift Shop To Be Held By Legion Auxiliary

Last year's successful "Gift Shop" held by the Illinois Department, American Legion Auxiliary, will be repeated this Christmas season. Mrs. Audra Lavengood made the announcement at a regular meeting of the auxiliary held Wednesday evening at the Legion Home.

Under the plan hospitalized veterans may select presents for immediate members of their families from gifts purchased by the auxiliary.

It was voted to give a donation to the Community Chest fund. The business meeting was in charge of Mrs. John Obert, the president.

A Halloween party followed the meeting. Prizes for costumes were awarded as follows: Mrs. Lillie Schell, best man; Mrs. Florence Vasconcellos, Gipsy fortune teller; Mrs. Ada Scott, middle girl; Mrs. Harriette Carver, fisherman; Kay Laughary, Spanish señorita; Beverly Skinner, little Mexican girl.

Mrs. Jean Lavengood gates, Mrs. Erma Birk and Mrs. Evelyn Sherrin won prizes in the games and contests.

The room was artistically decorated with orange and black crepe paper, pumpkin jack-o-lanterns, chocks of corn, cots, witches and skeletons.

Mrs. Florence Vasconcellos told fortunes. Doughnuts and cider were served.

The committee in charge of the party consisted of Mrs. Mildred Smith, Mrs. Louise Robinson, Mrs. Mabel Lewis, Mrs. Florence Vasconcellos, and Mrs. Erma Birk.

Party For Rushees Of Gamma Chapter Held Last Night

Gamma chapter, Beta Sigma Phi, entertained rushees Friday evening at a travel party held at the home of Mrs. Elbert Brasel, 127 Westminster street.

A group of games which carried out the theme of the party were played. The first was especially interesting, checking the number of items in each handbag. Verna Butcher won the prize; her handbag contained 65 different items.

Refreshments from San Francisco's Chinatown were served. Everyone present received a miniature traveling bag bearing the insignia of Beta Sigma Phi. Guests were given satin Kleenex traveling cases as gifts.

Guests present were Mrs. Francis Angel, Mrs. Violet Auwarter, Miss Betty Cobb, Mrs. Gordon Semme, Miss Claire Wuebbold, Mrs. Sidney Weseman and Mrs. R. Dean Strand. The preferential coffee will be held Monday evening, Oct. 25, at the home of Mrs. John May, 1503 W. Lafayette avenue.

Lowboy Trailer Hits Light Pole

A six-wheeled lowboy trailer loaded with steel plates and wooden frames crashed into a city light pole at the intersection of N. Main and Douglas avenue at 6:30 p.m. Friday. The driver, Fred Nichols of Middletown, told Officer Spreen that he was forced to the curb to avoid hitting an automobile.

The pole was tilted over, causing the wires to sag badly. It was straightened by workmen of the city electric department. The truck was owned by the Sangamo Construction company of Springfield.

HIGH SCHOOL STUDENT CUT BY PAPER BLADE

Wayne Jumper, Jacksonville high school senior, sustained a deep gash severed a small artery. He was taken to the office of Dr. Harold Norris for medical attention.

The afternoon program, which begins at 2 p.m., will feature music by the Girls' quartet and the Men's chorus. The Rev. Elmer C. Johnston of the White Hall Christian church will speak.

160 Chickens Stolen On W. Walnut Street

One of the largest thefts of chickens that has been committed in Morgan county for many months occurred Thursday night or early Friday morning at the home of Hubert Craddock, 1108 West Walnut street.

Missing from two poultry houses there are 100 Austria-White pullets, weighing between three and four pounds each, and 60 White Rock hens, weighing about six pounds each.

The thieves also helped themselves to 500 feet of electric extension cord, which they removed from fastenings.

Mr. Craddock, who raises chickens in addition to his duties as assistant manager of Kresge's five and ten cent store, discovered the theft when he went out to do the chores Friday morning. He did not hear any commotion during the night.

Sheriff Ralph Bourn and Deputies Triam and Andrews inspected the premises, looking for tire tracks and other evidence. A description of the stolen chickens was broadcast on the state police network.

Central Park Starlings Seem To Like Fireworks

A Roman candle exhibition put on Friday evening for the benefit of the infamous starlings of Central Park, estimated at 10,000 strong, apparently failed to serve as an eviction notice. The birds fluttered around for a while, made a little more racket than usual, and settled back to their roosting places in the elm trees.

Seem To Like Fireworks

Russell Kelley, park superintendent, assisted by members of the Amvet post, 100, arranged the pyrotechnic display in hope of frightening the birds to such an extent that they would strike out for parts unknown.

Red and green balls of fire were sprayed through the branches of the big trees where the starlings take over each evening. The birds are rated as Jacksonville's No. 1 nuisance. Anyone who has walked through the park after dark, or parked cars around it, will testify to that.

One year ago a number of aluminum owls were placed on metal pipe high in the trees of Central Park. For a number of months the starlings appearing there have been bluffed by the staring owls. This fall, however, the flocks of starlings got wise. They are no longer afraid of the aluminum figures.

Park Supt. Kelley said the owls probably would be more effective if they were raised in the trees. But this would entail a considerable job with special equipment, and the right kind of pipe cannot be obtained.

Large quantities of firecrackers have been discharged under the trees in recent weeks, causing some of the birds to vacate temporarily. They came back to roost later, however, with an incessant chatter and habits that defy all rules of sanitation.

Fred W. Rigg Dies Friday Afternoon; Services Sunday

Fred W. Rigg, prominent farmer of this vicinity, died at Passavant hospital at 1:05 p.m. Friday following an illness of two months. He was 61 years old.

Mr. Rigg resided two miles northwest of the city on route 104, moving to that home about 18 months ago from Lynnville, where he had farmed for many years.

He was born in Hamilton, Ill., on Sept. 24, 1887, a son of William H. and Martha Collins Rigg.

On Sept. 23, 1912 he married Ruby Mawson. Surviving him are his mother, who lives in Chapel; his wife and five children: Hazel Mae Wagner, San Diego, Calif.; Mrs. Aileen Blackwell, Washington, D. C.; Mrs. Irene Martin, northeast of the city; Hobart P. Rigg of Stronghurst, Ill., and William G. Rigg, at home.

He also leaves five grandchildren and one brother, Walter Rigg of St. Charles, Mo. His father and one sister, Mrs. May Brockhouse, preceded him in death.

Mr. Rigg was a member of Central Christian church. The remains were taken to the Williamson Funeral Home, where services will be held at 2 p.m. Sunday. The Rev. L. R. Cronkrite of Virginia, a former pastor of the Lynnville Christian church, will officiate. Burial will be in Diamond Grove cemetery.

John W. Bell, 78, Dies At His Home Near Here Friday

John W. Bell, 78-year-old Morgan county farmer, died at his home on the Arcadia road five miles north of Jacksonville at 4:10 p.m. Friday. He was born in Brown county or Aug. 18, 1870, a son of Francis and Lorraine Bell.

In 1896 he was united in marriage with Hester Probasco, who survives. He also leaves two children, Richard Bell at home and Mrs. Roy Robinson of the Sinclair neighborhood; five grandchildren and two great-grandchildren; one brother, Jabez of California; two half-brothers, Charles Bell of Scott Field, Ill., and Hardin Bell of LaHarpe, and two half-sisters, Mrs. Grover Boggs of Geneseo and Mrs. George Woodworth of Cincinnati.

He was a member of the Union Baptist church of Pisgah. The body was taken to the Williamson Funeral Home, where services will be held at 2:30 p.m. Sunday. The Rev. W. J. Boston will officiate.

The family will meet friends at the funeral home from 7 to 9 p.m. Saturday.

Boy Scouts Plan To Hold Annual District Meeting

Honest Abe District, Boy Scout of America, will hold its district annual meeting, November 9 at the Illinois School for the Blind, according to an announcement made by Edward D. Bargery, district chairman.

The Honest Abe District is part of the Abraham Lincoln Council and takes in the counties of Morgan, Cass, Scott and half of Greene County. At this meeting the new officers for the year will be elected and the report for Scouting in the district for 1947 will be given.

The nominating committee is O. P. Galloway, A. W. Brunk, Jacksonville; Ben Barnett, Cass County; Henry Cohn Jr., Greene County, and E. W. Patterson, Scott County.

The annual meeting committee in charge of the program is made up of F. R. Rawlings, chairman, Ted Points, Waverly, N. H. Crain, Woodson, and Reid Martin, Jacksonville. The meeting again this year will include both Scouts, Cub Scouts, their parents and friends as well as the district scouters and friends of Scouting.

The meeting will take the form of a social potluck dinner, and is expected to draw more than 400 Scouts and Scouters.

The Boy Scouts in Morgan County are a member agency of the Morgan County Community Chest.

FACTS ABOUT YOUR COMMUNITY CHEST

GIRL SCOUTS—Throughout the fall, winter, and spring months, Girl Scouts attend weekly troop meetings with an adult leader, and plan what they will do and accept responsibility for carrying out their plans.

BOY SCOUTS—Scouting recognizes the desire of boys to be a vital part of a gang, their own gang under their own leadership.

Y.M.C.A.—The Youth Center serves boys and girls from the ages of six to eighteen.
